

Dear Church Stewards, please could the following table be filled in with details of booked preachers and planned service types for the next quarter. Please also provide details of any holy week or other services on the following page.

May we have the form returned to the circuit office (email: circuitoffice@dnethodists.org.uk) by **Friday, the 4th of January**, so that the circuit can plan the remaining services.

Once planned, any changes to services should be notified to the superintendent minister, a requirement of the Methodist Church Act 1976.

Thank you.
