

Derbyshire North East Methodist Circuit

Service Request form: September to November 2025

Dear Church Stewards,

Please could the following table be filled in with details of booked preachers and planned service types for the next quarter. May we have the form returned to the circuit office by **Friday, the 4th of July**, so that the circuit can plan the remaining services.

Once planned, any changes to services should be notified to the superintendent minister, a requirement of the Methodist Church Act 1976.

Thank you.
